Hello, P&D Families!

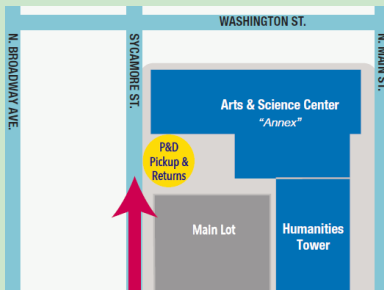

As we near the end of the fall semester, we have some events coming up that you'll want to note:

- **Facebook Live Event - this Saturday, Dec 5, at 9 am PST** - Please invite anyone who is looking to send their middle school or high school student to OCSA in 2020-21. They will join Kevin Cook, Director of the Production & Design Conservatory, for a Facebook Live Q&A session this Saturday, where he will answer important questions about our program and the admissions process. *Note: this is only for prospective students and their families.*

- **Drive Thru Pickup & Returns - Friday, Dec 11, from 1-4:30 pm at the Scene Shop Loading Zone** - This is for pickup of P&D Store merchandise orders, contest supplies requests and Safety Meeting treats pickup, as well as return of any material for fall semester classes. *(Note: NO supplies will be available for spring semester at this time.)* Students will receive information from their instructors regarding materials that need to be returned.

Procedure will be similar to supplies pickup at the beginning of the year: pull up along the curb **northbound** on **Sycamore Street** (see map). We will be on hand to assist as you pull up at the Shop loading zone.

- **Virtual Safety Meeting - Thursday, Dec 17, at 2 pm** - Join the annual all-conservatory holiday celebration, this year via Zoom. There will be lots of fun with a contest (including prizes!), breakout rooms to hang out with others, and treats for all (pick up on Dec 11!). Be sure to join in all the festivities. Please see the invitation below for all the details and contest info and rules. If anyone should need supplies for their contest masterpieces, click on [this form](#) to request them. **Deadline to request supplies** for contest is **Monday, Dec 7, at 5 pm.**

USITT Certification Testing - Update

We will be offering the USITT preliminary certification test in January 2021 and the test for certification in April. Please note since we are part of the pilot program, we are helping to determine the passing score by how well our students do on this test in January. That means no one will pass this test the first time they take it! When all the data is calculated, a passing score will be set for when our students take the test again in April 2021.
