

Notice: Rights to Water Bottles

In alignment with Ed Code 38042 and 38043, Orange County School of the Arts (OCSA) shall allow students, teachers, and staff to bring and carry water bottles. Water bottles may be excluded from libraries, computer labs, science labs, and other places where it is deemed dangerous to have drinking water.

OCSA may develop additional policies regarding the types of water bottles that may be carried.

OCSA adheres to all applicable requirements regarding placement and maintenance of water bottle refilling stations on campus.

OCSA shall encourage water consumption through promotional and educational activities and signage that focus on the benefits of drinking water and highlight any water bottle filling stations that are located on campus.
