TEMPORARY SCHOOL CLOSURE INFORMATION

The following is a timeline for OCSA’s temporary school closure:

- Monday, March 16-Tuesday, March 17 - Temporary school closure begins; there will be no student instruction. On these days, academic and elective faculty and staff will be making final preparations for the launch of the OCSA Distance Learning Plan; conservatory faculty and staff will continue to work for the duration of the week on developing their materials. If students need to retrieve any items from their lockers, they may do so on these two days between 8 a.m. and 12 p.m.
- Wednesday, March 18 - Online distance learning for academic and elective classes begins.
- Monday, March 23 - Online distance learning for conservatory classes begins.
- Monday, April 13 - Regular classroom instruction resumes, unless families are notified otherwise.

OCSA teachers will develop meaningful distance learning opportunities utilizing the Google Suite for Education and a wide range of other online resources. Teachers will post assignments and due dates through their Agenda Slides and Google Classroom by the time that class is scheduled to begin for that day. Students will be expected to check their class Agenda Slides, Google Classroom, Aeries, and OCSA email daily for assignments and due dates. Students should expect to spend approximately 6-7 hours on schoolwork each day.

Academic and elective teachers will be accessible via email between 8:05 a.m. and 2:10 p.m. to support their students. Once conservatory distance learning begins, conservatory teachers will be accessible via email during their scheduled conservatory block. Additionally, school counselors will be available via email between 8 a.m. and 4 p.m. each school day.
