

ADA Accessible Seating Policy

Wheelchair and companion seats are available in most venues. The purchase of any ADA accessible seat or wheelchair space by non-disabled patrons is prohibited and will result in seat relocation or forfeiture of the tickets and any ticketing cost. By selecting an ADA accessible seat you acknowledge that you or a member of your party requires the features of the accessible seat or wheelchair space.

We offer 3 types of ADA accessible seating:

	There is no physical seat when you see this icon – this is a space to accommodate a wheelchair.
	This is a physical seat for use only by the companion of the wheelchair user.
	This is a transitional aisle seat. The arms on these aisle seats can be raised to allow ease of transition into the seat.
