After-School Student Program Information

The purpose of the **After-School Student Program (ASP)**, also known as "*Homework Club*," is to enhance and support the growth of 7th and 8th-grade students enrolled in OCSA through the provision of an affordable, safe, caring, after-school environment. The program goals are to provide guidance and care, in a quiet environment, for students to complete homework, which acts as an extension of home, school, and community.

- A student who is absent from school due to illness may not attend that day.
- All School-wide Behavior Expectations remain in effect during the program.
- Students are expected to come prepared with quiet work to complete and not disrupt others. A student whose behavior disrupts the learning environment may be dismissed from the program.
- Students who carpool and/or ride the bus/train will be dismissed at 4:45pm as a group and students may be released to attend special on-campus activities as necessary.
