

NEW AERIES CLOUD PLATFORM

OCSA has successfully completed its migration to the **Aeries Cloud platform**. Because Aeries no longer supports onsite web hosting, our old Aeries website links will no longer work.

Please bookmark and use our new Aeries link going forward: [Aeries Student Information System Portal](#).

How To Log In

When you open the new link, you will see three buttons. Click on **Parent / Student Portal** and follow the instructions below based on your account type.

For Parents

1. Enter the email address and password you used last year.
2. Forgot your password? Click the “Reset Password” link on the login page to receive a reset link via email.

For Students

1. Enter your school email address on the initial page.
2. You will be redirected to the Microsoft sign-on page.
3. Enter your school email address and password to log in.

Need Help? If you experience any issues accessing your Aeries account, please reach out to our Tech Support team at techsupport@csarts.net.
