Balances remaining from 2024–2025 will be carried forward.

What is an OCSA OCard?

An OCard is a prepaid debit account that is linked to your child's permanent OCSA **7-digit student number beginning with 100** (located on your student's ID card, printed class schedule, and in Aeries). All children in the same family share the same debit account, but will have separate balances. This allows students to purchase food items from the cafeteria and pay for the After-School Program (ASP), also known as Homework Club. **NO ACTUAL CARD IS DISTRIBUTED.** The account is accessed by the 7-digit student number and/or the child's fingerprint.

MySchoolBucks.com™ (MSB) is an online system that will allow you to make deposits into your student's school meal account.

Enrollment is easy!

1. Go to www.myschoolbucks.com or download the app and register for a free account – **choose Orange County School of the Arts as the school district**. For additional information, please visit the [FAQ page](#).
2. Once you've created your account, you can add as many OCSA students as you'd like by entering each student's school, their name, and **permanent student number (refer to the student's class schedule and ID card)**.
3. Add funds to your student's account with your Visa, MasterCard, Discover, American Express credit/debit card, or electronic check (e-check) – funds are updated daily at 6 a.m., 10 a.m., and 7 p.m. EST.
